## **Jeron is Awarded Premier Group Purchasing Agreement for the Market-Leading Provider® Nurse Call Systems**

### **FOR IMMEDIATE RELEASE**

May 23, 2018 – Niles, IL - - Today, Ericka Baran, Vice-President, Sales & Marketing of Jeron Electronic Systems, Inc. announced that the company's Voice over IP based Provider® 790 Nurse Call Solution has been added to the latest contract with the Premier healthcare alliance.

"We're pleased to continue our work with Premier," stated Baran, "it makes our most advanced Provider Nurse Call System readily available to over 3,900 US hospitals in the Premier alliance, and provides a reliable, quality system to their caregivers who need it most." Products selected for inclusion in Premier's Supplier offerings require a rigorous evaluation and review process, earning the highest marks in a full range of measures, including quality, safety, clinical impact and cost effectiveness. Through Premier, participants leverage the combined volume of purchases to secure lower prices and better total value for themselves.

Provider 790, which was most recently featured at HIMSS18 in Las Vegas, is the most-advanced in a series of the company's Nurse Call platforms that offers clear VoIP digital/full-duplex audio, SIP wireless phone integration, touchscreen operation, real-time staff locating, and complete workflow functionality; all designed to optimize staff efficiency and increase patient satisfaction.

Jeron is also affiliated with Vizient, ROi, and other prominent Group Purchasing Organizations. In addition, their contract with GSA, Government Services Agency, has allowed Provider Nurse Call to be installed in many military bases around the country including Joint Base Andrews.

Provider Nurse Call Systems are installed and serviced through factory-trained and certified Jeron distributors across North America (and beyond.) Their distributor network delivers comprehensive, one-stop local services – consultation, integration, and support to Jeron's end-user healthcare facilities.

**ABOUT PROVIDER® 790 NURSE CALL:** Provider 790 is a complete Nurse Call communication solution, offering clear VoIP digital/full-duplex audio, wireless phone and pocket pager integration, simple touchscreen operation, one-touch facility-wide intercom, automated alerting/workflow functionality and a wide spectrum of patient and staff area components – all designed to optimize patient care and staff efficiency.
