

## New Distributor Partner for Provider Nurse Call Systems

### FOR IMMEDIATE RELEASE

**NILES, IL - April 11, 2019** -- Jeron is proud to team with Midwest Alarm Services as an Authorized Jeron Distributor to support the sales and service of Provider<sup>®</sup> and Pro-Alert<sup>™</sup> Nurse Call Communication Solutions for healthcare facilities throughout Iowa and Nebraska.

Midwest Alarm Services was founded in 1950 in Des Moines, Iowa and today has nine locations throughout the Midwest and is one of the largest NOTIFIER Distributors in North America.

Midwest Alarm Services joined the Jeron Distributor Network this year with healthcare projects already in the works. Doug Richard, President of Midwest Alarm Services, said, "I am really excited to work with Jeron as they are a leader in nurse call, intercom and two-way communications. They have developed a quality product that I expect to make a real impact on the workflow of medical facilities that we serve."

Jeron has been developing and manufacturing cutting-edge voice communication and electronic signaling systems since 1965, including proven nurse call systems and integrations and ADA-compliant emergency call systems. Jeron teams with 'best in class' local distributors to provide local sales, installation, and support of Jeron systems with timely emergency service should an issue arise.

Mark McNicholas, National Sales Manager for Jeron, commented, "As Jeron continues to grow, we work together with our distributor partners to address the issues and challenges of our mutual healthcare customers. The hospital and ambulatory care centers that we serve continue to evolve and adapt to the ever changing healthcare environment. Both Jeron and Midwest Alarm Services are here to support them through customized solutions for communications, alerting, workflow, and throughput needs."
