

Jeron Electronic Systems, Inc. Demonstrates Industry Leading Nurse Call Solutions at HIMSS21 Conference in Las Vegas

IMMEDIATE RELEASE

June 23 - Niles, IL – HIMSS (Healthcare Information and Management Systems Society) Annual Conference will be an in-person event this year, occurring August 10-13 at the Sands Expo Center in Las Vegas. Jeron Electronic Systems, Inc. will be exhibiting in Booth #5151; presenting how to achieve excellent acute and ambulatory care workflow and positive patient satisfaction through the latest innovations in nurse call and patient safety technology.

Jeron offers a [full line of nurse call solutions](#) for hospitals, clinics, ambulatory surgery, and long-term healthcare facilities. Provider[®] Nurse Call System integrates with the most popular mobile devices, such as smartphones and real-time locating, to support increased mobility for caregivers. [Click here for an overview of Provider nurse call's solutions for clinicians and patients.](#)

At HIMSS (or if you request a demonstration at their [corporate office](#)) you will be given a preview of the best-in-class innovations in clinical communications such as Provider's Family Workflow Terminals, Isolation Door Stations, & Noti-Fi[™] Smartphone Alerting.

"With the latest additions to our arsenal, we are excited to offer such flexible options that will ultimately keep caregivers mobile while still being completely connected to their residents or patients," says Myles Cochran, Jeron's Director of Marketing. He continued "The HIMSS Annual Conference gives us a chance to show caregivers and healthcare administrators how Provider Nurse Call is an IT-enabled healthcare delivery system that streamlines staff workflow, gives accountability insight, and improves patient experiences that ultimately lead to higher satisfaction scores"

HIMSS21 Exhibit Hours:

August 10: 9:30 - 6PM

August 11: 9:30 - 6PM

August 12: 9:30 - 4PM

ABOUT JERON ELECTRONIC SYSTEMS, INC: A leader in communications systems for the healthcare industry, Jeron Electronic Systems, Inc. is the engineering and manufacturing force behind Provider nurse call systems.
